DATES FOR INTERNSHIP

The University of Idaho teaching internship (student teaching) placement consists of a semester-long program. The specific starting and ending dates may vary depending on the expectations of the school district where the student intern is placed. Student interns will follow the school district calendar and not the University of Idaho calendar. It is possible that the student intern may be expected to complete the internship after the graduation date. The standard semester internship consists of 16 weeks.

STUDENT INTERN: ____________________________________________________

School District: ____________________________________________________

School: ____________________________________________________________

MENTOR TEACHER: _________________________________________________

Starting date for internship: ______________________________________

Ending date for internship: ______________________________________
