- Familiarize yourself with campus

**Helpful Hints:**

**The “EPAF”**
An “Electronic Personnel Action Form” (EPAF) is created for your position and travels to several departments for examination and approval before being applied to Banner (UI’s administrative system). Once your EPAF is processed (applied), you become an “official” UI employee. Almost everything at the UI is dependent on your EPAF. You will need a processed (applied) EPAF in order to be paid, to access VandalWeb, to sign up for training, and to access other programs necessary to do your job. Please check with your supervisor to verify the status of your EPAF.

**VandalWeb**
Once your EPAF has been processed you can access VandalWeb at [vandalweb.uidaho.edu](http://vandalweb.uidaho.edu). In VandalWeb you can update your addresses, emergency contact information, view pay stubs and work history, check your leave balances, review your W4 information, access the myBenefits link, work on specific administrative tasks, and more. If you are enrolled as a student, your student information will be found here as well. As a board-appointed employee you can log in using your network username and password.

**Vandal Card**
The Vandal Card is the official employee ID card for staff, faculty, and affiliated persons. Vandal Cards are used over two million times per year for many purposes on campus. It provides access to numerous events and facilities including: athletic events, recreational facilities, the Student Health Center, and the library. Many locations use it for door access. It is used to obtain financial aid checks. Vandal Cards have expiration dates so be mindful of that date or you may not have access to buildings, labs etc.

**Vandal Alert**
Vandal Alert is an institution-wide emergency notification system, and all students, staff and faculty are automatically enrolled. If the Vandal Alert system is activated by the university, you are contacted through phone numbers and email addresses that you have previously provided to the university with a short message about the emergency. Included in the message will be a brief description of the emergency and any actions you need to take, as appropriate. Visit [https://www.uidaho.edu/dfa/administrative-operations/i-safety/vandal-alert](https://www.uidaho.edu/dfa/administrative-operations/i-safety/vandal-alert) for more information on Vandal Alert, including how to update your contact information.
