

NSF INCLUDES

NSF INCLUDES Objectives

Bring together dedicated partners

Find approaches that work

Build a nation where everyone has opportunities in STEM

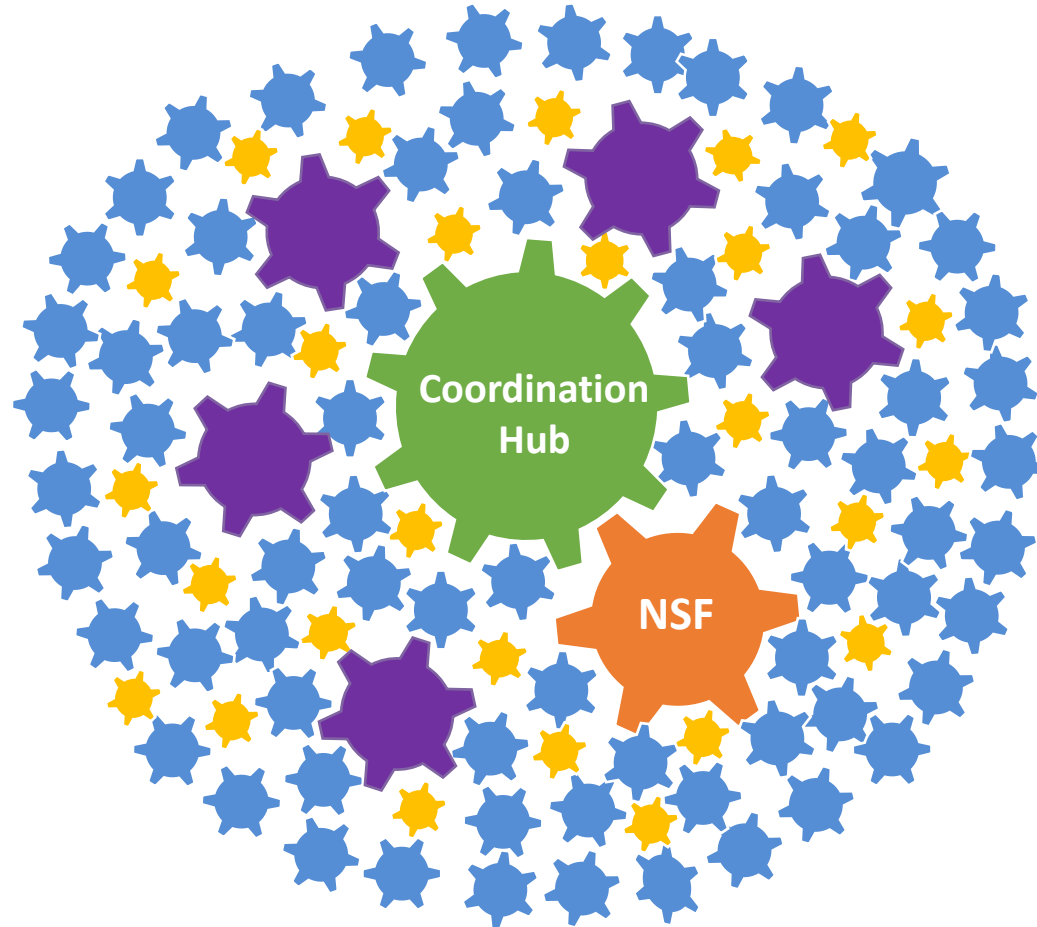

The Five Elements of NSF INCLUDES

The NSF INCLUDES National Network

-  Alliances
-  DDLP
-  Conferences, EAGERs, Supplements
-  Coordination Hub
-  NSF

The NSF INCLUDES Coordination Hub

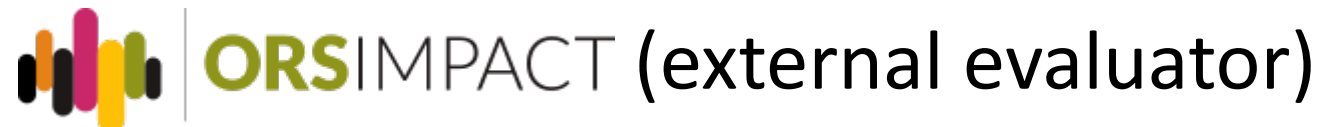

Award # 1818635

*The Hub facilitates activities needed to build and maintain a strong **NSF INCLUDES National Network**, including communications, technical assistance and efforts aimed at increasing visibility. The Hub itself is a collaboration of multiple institutions.*
