**SUGGESTED PRE-MLS COURSEWORK**

Prerequisite courses can vary significantly between MLS programs. Students should carefully check admission requirements to their top choice accredited clinical laboratory science programs at: [National Accrediting Agency](https://www.joint委員会).
## SUGGESTED PRE-MLS COURSEWORK

| Anatomy and Physiology | • **Biol 120** (Human Anatomy, *Fall only*)  
Prereq: Biol 120  
• **Biol 121** (Human Physiology, *Spring Only*)  
  Prereq: Biol 120 |
|-----------------------|---------------------------------------------------------------|
| Statistics            | • **Stats 251** (Statistical Methods)  
  Prereq: One of the following: Math 108, Math 137, Math 143, Math 160, Math 170,  
  or Sufficient score on SAT, ACT, or math placement test to qualify for registration in Math 130 |
| Biochemistry (at least one semester) | • **Biol 380** (Biochemistry I, *Fall Only*)  
  Prereq: Chem 277  
Or  
• **Biol 300** (Survey of Biochemistry, *Fall Only*)  
  Prereq: Chem 101/101L or Chem 111/111L  
  Coreq: Chem 275 or Chem 277 |
