Education	<u>Bachelor of Science in Electrical Engineering</u> University of Idaho, Moscow, ID GPA: 3.58 <u>Relevant Coursework</u> Power Electronics Energy Systems I,II Pulse and Digital Circuits Microcontrollers Electrical Circuits I,II Communications Circuits Digital Logic Signals and Systems I,II Advanced Electronics	May 20xx																		
Engineering Experience	<u>Electronics Design Intern</u> Schweitzer Engineering Laboratories, Pullman, WA ▪ Designed FPGA's in a fast paced environment verifying with VHDL ▪ Developed mixed signal circuits to meet specifications ▪ Wrote reviews, plans, and product documentation ▪ Implemented firmware and software necessary for hardware product development ▪ Attended technical meetings with colleagues and supervisors	Summer 20xx																		
Computer Skills	<table><thead><tr><th><u>Proficient in:</u></th><th><u>Knowledgeable in:</u></th><th><u>Familiar with:</u></th></tr></thead><tbody><tr><td>▪ VHDL</td><td>▪ HTML</td><td>▪ MPLAB</td></tr><tr><td>▪ PSpice</td><td>▪ PERL</td><td>▪ Microsoft Outlook</td></tr><tr><td>▪ MATLAB</td><td>▪ C++</td><td>▪ Microsoft Publisher</td></tr><tr><td>▪ Java</td><td>▪ Microsoft Excel</td><td>▪ Windows OS, Mac OS X, Linux</td></tr><tr><td>▪ Microsoft Word</td><td>▪ Microsoft PowerPoint</td><td></td></tr></tbody></table>	<u>Proficient in:</u>	<u>Knowledgeable in:</u>	<u>Familiar with:</u>	▪ VHDL	▪ HTML	▪ MPLAB	▪ PSpice	▪ PERL	▪ Microsoft Outlook	▪ MATLAB	▪ C++	▪ Microsoft Publisher	▪ Java	▪ Microsoft Excel	▪ Windows OS, Mac OS X, Linux	▪ Microsoft Word	▪ Microsoft PowerPoint		
<u>Proficient in:</u>	<u>Knowledgeable in:</u>	<u>Familiar with:</u>																		
▪ VHDL	▪ HTML	▪ MPLAB																		
▪ PSpice	▪ PERL	▪ Microsoft Outlook																		
▪ MATLAB	▪ C++	▪ Microsoft Publisher																		
▪ Java	▪ Microsoft Excel	▪ Windows OS, Mac OS X, Linux																		
▪ Microsoft Word	▪ Microsoft PowerPoint																			
Leadership	Senator, <u>Associated Students University of Idaho (ASUI)</u> University of Idaho, Moscow, ID ▪ Wrote and passed legislation that allocated funds, stated ASUI positions, and altered the structure and administration of student government ▪ Attended weekly senate meetings to discuss and implement ideas and policies ▪ Proposed senate structure modifications that were revised and passed by the ASUI senate	Fall 20xx – Spring 20xx																		
Other Experience	<u>Finishing Specialist</u> Platinum Construction, Idaho Falls, ID ▪ Remodeled and constructed homes specializing in finishing work ▪ Utilized power tools and precision instruments to finish interior woodwork ▪ Communicated with co-workers to ensure timely completion of tasks	Summers 20xx – 20xx																		
Volunteer Service	<u>Construction Volunteer</u> Community Action Center Housing Rehabilitation Program, Pullman, WA ▪ Assisted with repair and improvement of owner-occupied homes ▪ Coordinated with other teams to make efficient use of time on site ▪ Led a team of four volunteers in repairing interior finish work in homes <u>Server</u> Idaho Falls Community Outreach Center Soup Kitchen, Idaho Falls, ID ▪ Organized and distributed food once a month ▪ Interacted with individuals coming to the soup kitchen for meals	Fall 20xx – Spring 20xx Summer 20xx																		
Organization	<u>Member</u> Institute of Electrical and Electronics Engineers, Moscow, ID ▪ Contributed to discussions during weekly meetings and networking sessions	Fall 20xx – Spring 20xx
