2. Each living group may enter up to 3 teams of 2 players in the tournament that will count towards Intramural points. Other teams or players may enter as independents.
3. Scoring will be scramble play. Each golfer on the team hits their drive. Team will select which shot is best, mark the spot, and place both balls by the marker. Balls must be within a club length from the marker, no closer to the hole, and must not improve lie. (if ball is in rough, it must remain in the rough) The second strokes are played by both players and the process repeats: Select best shot, move other balls to new position, and repeat until the ball is holed. Balls on the green must be within the length of a player's putter head.
4. Participants will register for tee-times with Intramural Sports when turning in entry forms, Student Recreation Center.
5. Please read the attached participation agreement and roster information and return with signatures and green fees to the Campus Recreation Office by Wednesday, September 14th. **All green fees must be paid 15 minutes prior to tee times and checked in with the Intramural Program Assistant.**
6. Each group will have only fifteen minutes to complete each hole. There will be rangers on the course to enforce this rule. If you take more than fifteen minutes to complete a hole, each member of the group will pick up their ball, move to the next green, and write a 10 down for the score of that hole.
