FALL SCHEDULE
OUTDOOR PROGRAM 23
The University of Idaho Outdoor Program is a non-profit service organization providing the community with education and resources for adventure-based, human-powered, and environmentally sound activities. We promote teamwork, leadership, and growth through outdoor experiences.

**FAQ**

**How do trips work?**

The Outdoor Program adventures fall into one (sometimes two) different categories of trips:

- **SKILLS-BASED:** Trips that teach a specific skill for outdoor adventures - kayak rolling, first-aid and avalanche education, as examples.

- **EUSTRESS:** Trips that encourage positive growth and skill development. Expect a challenge, to deepen your outdoor knowledge and adventure to new terrain.

- **RESTORATIVE:** Trips that encourage taking a break from the everyday hustle and bustle. Expect time for contemplation, discover a new paradigm and just have fun!

**How much does it cost?**

Cooperative trips are cost sharing. Listed fees are for transportation, instruction, and group gear (if necessary).
How does food and supplies work?

Unless specified, participants supply all their own food and sleeping supplies (ex. sleeping bags, tents, etc.). There are certain trips that include meal planning and purchasing. Required pre-trip meetings are held to work out trip details.

What if I don’t have the right equipment or supplies?

Personal equipment can be rented or purchased through the Outdoor Program Rental Center.

What does the “Iconic Idaho Experience” mean?

Big wilderness, scenic rivers, breathtaking mountain lakes, jagged peaks and more. These trips embody places that are iconic Idaho adventures. Do one a year and hit them all by the time you graduate.

How do I participate?

Registration for trips is completed in person at the Outdoor Program office located in the Student Recreation Center (SRC). All sign-ups open on the first day of the semester and are first-come, first-served.

Registration closes 24 hours before pre-trip. Each program lists details regarding cost, required pre-trip meeting, and trip specifics. Transportation is included.

Fees are due to confirm program reservation and are non-refundable. Non-university students may be charged an additional fee, which will be listed in the program information. Cash or check only!

Release of liability form, health screening questionnaire, packing list, and course information will be emailed out to participants after sign-up.

Required pre-trip meetings will happen in person or virtually depending on the program. Stop by the Outdoor Program Office or call for additional information.

Some events don’t require registration - look for this symbol that indicates the program is a drop-in.
Vandal Welcome Raft #1
