Registration and Payment
- Parent Night Out enrollment is limited to allow for small groups. Enrollment is available online, on a first-come, first-serve basis.
- All campers must pre-register by the Wednesday prior to event start date. No daily drop-ins will be allowed.
- In the case of a camper being denied access to camp due to symptoms compatible with COVID-19, parents can request a refund for services not rendered.

Strategies to Minimizing Potential Virus Transmission
- Parent night out campers will be a small group of 1 camper and 2-3 counselors that will remain with as a cohort for the night to minimize potential virus transmission.
- Staff and campers are required to wear face coverings while attending parent night out.
- Campers will participate in indoor activities within their own cohort. Campers will maintain a 6-foot distance while in group activities when possible.
- Each group will have their own homeroom space, art supplies, and games that will not be transferred between groups.
- While we will prepare snacks for each event, no sharing will be allowed of items between campers.
- The Youth Program Coordinator will send out what snacks will be the Thursday before each event. In the event a child may not eat the snack due to allergy, they may bring their own.
- No water fountains will be used during camp. Campers will be required to bring their own clean, labeled water bottle and can refill them in the water bottle filling station in the SRC.

Drop-Off and Pick-Up Procedures
- Curbside drop-off and pick-up will occur outside in the East side SRC parking lot.
- Drop-off will be available starting at 6 p.m. Pick up will be available 8:30 – 9 p.m. p.m.
- Ideally, the same parent or designated person should drop-off and pick-up the child.
- If possible, older adults such as grandparents or those with serious underlying medical conditions are recommended not to pick up children, because they are more at risk for severe illness from COVID-19.
- At drop-off, campers will be screened for symptoms compatible with COVID-19. Children will be temperature scanned by the Recreation and Wellbeing staff. Parents are required to confirm that the child has not had fever (100.4 or above), shortness of breath, cough, chills, headache, new loss of taste or smell, sore throat, or muscle pain each day before the camper will be allowed into the facility.
- Parents will be asked to be on the alert for signs of illness in their children and to keep them home when they are sick.
Intensified Cleaning and Strategies
- Campers and staff will be required to wash hands or use hand sanitizer before entering the facility, before and after activity participation, before and after restroom use, before and after snack/lunch, and after touching shared surfaces.
- We are frequently disinfecting shared equipment and high touched surfaces throughout the day and educating campers on proper hand washing technique. Every evening after camp hours, custodial staff will disinfect all camp meeting spaces and common spaces including frequently touched surfaces. At the conclusion of each week, camp staff will disinfect all equipment, toys, art supplies, etc., in preparation for the next event.

Facecovering Addendum
Youth program staff and participants will be required to follow both the University of Idaho guidelines and the Moscow city ordinance for wearing face coverings.
- Indoors- face coverings are required for all patrons while inside campus buildings.
- Outdoors- face coverings will only be required in cases where social distancing cannot be accomplished.
- Please plan on having your child(ren) bring a mask with them as they will be participating in both indoor and outdoor activities.

Parent/Guardian Agreement
As a parent and/or guardian of a child attending Vandal Kids Camp, I agree to abide by and follow these Recreation and Wellbeing COVID-19 specific protocols as outlined below to help decrease the spread of virus transmission including the:

following:
- I will be alert for signs of illness in my child and I will keep them home when they are sick.
- I will drop off my child curbside at the east entrance of the SRC during the hours of 8:30-9 a.m. and I will pick up my child at the same location between 8:30 - 9 p.m. p.m.
- I will provide a clean and filled water bottle (minimum of 12 ounces) each day for my child.
- I will try to have the same parent or designated person doing drop-off and pick-up for my child(ren)
