OPERATIONAL GUIDELINES FOR THE STUDENT RECREATION CENTER
Guidelines are subject to change based on availability of supplies and if there are no significant increases in COVID-19 cases in our region.

STAGE 4
updated August 25, 2020

SRC, Rental Center and Climbing Center
Operational Guidelines to reduce the risk of spread of COVID-19 among staff and patrons.

- Atrium will have designated entrance and exit doors, utilizing the three main doors. The east entrance/exit will not be accessible to patrons and will only be used in case of an emergency.
- Atrium will have social distancing “X” markers in areas that congregation could happen due to wait times to enter the facility.
- Bottle filling stations will have “X” markers as well to all for social distancing.
- Plexi-glass will be installed at all point-of-sale locations.
- Patrons will be required to wear face coverings and practice social distancing (minimum of 6 feet) at all times.
- Patrons will be required to sanitize their hands prior to entering the turnstiles.
- Patrons should sanitize their hands before and after working out.
- Patrons entering the Climbing Center are required to sanitize their hands and climbing shoes prior to facility access. Sanitizing material will be provided.
- Patrons will be allowed to climb in only one section at a time while maintaining social distancing requirements.
- Patrons will deposit used shoes (if rentals) in a specified bin to be sanitized.
- Patrons will be allowed to spot each other, but social distancing (minimum of 6 fee) should still be practiced whenever possible.
