Vandal Health Education
Graduate Support Assistant (GSA)

**Vandal Health Education Vision:** To foster a Vandal community where students will be inspired to strive for optimal health and well-being as they pursue their academic and future goals.

**Vandal Health Education Mission Statement:** Vandal Health Education is dedicated to providing high-quality health education outreach and services to empower students to make informed decisions about their own health and engaging the campus community in health promotion initiatives to foster a safe, inclusive, and healthy environment.

**Graduate Assistant Primary Duties and Responsibilities:**
The Graduate Assistant will assist in the development, administration, and oversight of Vandal Health Education workshops and programs. Key focus areas of responsibility may include:

1. Supervision and management of undergraduate peer education program
2. Implementation of programs, services, and trainings
3. Program evaluation
4. Assisting with conducting needs assessments
5. Collaborating with campus stakeholders through campus-wide health focused committees and task forces

**Other day-to-day responsibilities may include:**

1. Management of social media and/or marketing of events and services
2. Implementing changes and enhancements to program website
3. Supervision and mentorship of undergraduate peer educators
4. Assist the management team with other duties as assigned.

**Compensation:**
- Vandal Health Education covers in-state tuition and $11,500 stipend for the academic year
- College of Graduate Studies covers out of state tuition, if applicable

**Notes:**
- Work schedule is 20 hours/week during the academic semester (and the week prior to the start of each semester). Availability for some evening and weekend work is required.
- Specific duties could be tailored to meet the GSA’s desired career track, however, focus will be within VHE priority areas.
- Ideal candidates will be motivated to support VHE initiatives, take on independent projects, mentor undergraduate students, and work closely with other members of the VHE team.
- GSA will be supervised by the VHE Assistant Director or Director.
- **Interested applicants can contact Emily Tuschhoff, Director of Health Promotion, at emilyt@uidaho.edu with their resume and cover letter indicating how they’re qualified for the position, and with any questions.**
