

EMPLOYEE DEPENDENT TUITION FEE REDUCTION APPLICATION

University of Idaho

2022-2023 Academic Year

Under the Employee Dependent Education Tuition & Fee Reduction Program ([FSH 3780](#)), enrollment in the University for reduced fees (50% reduction of in-state tuition and fees) is extended to the dependents (as defined by the Federal Income tax code, Sect. 152) of board-appointed UI employees on regular appointment who work at least half-time, including those on official leave. The Employee Dependent Tuition & Fee Reduction Program is a qualified tuition reduction plan under Sect. 117 of the Internal Revenue Code. Under this program, fees reduced for enrollment in undergraduate courses are exempt from federal, state and social security taxes. Reduced fees for graduate level courses (500 and above) are subject to tax; tax is payable by the employee. Provisions of federal or state law may, however, change at any time. Please consult your personal tax advisor for implications to your individual situation.
