

STAFF REGISTRATION PERMIT

2022-2023 Academic Year– Includes Summer 2022

Under the Employee Educational Assistance Program, (UI Faculty-Staff Handbook Sections 3740 and 3760), salaried UI employees on regular appointment who work at least half-time (including those on official leave), may enroll in the University for reduced fees (\$20 registration fee plus \$5 a credit). Special Lab and Course Fees must be paid by employee. Reduced fees are not eligible for refunds. The Educational Fee and Tuition Reduction Program is a qualified tuition reduction plan under Section 117 of the Internal Revenue Code for undergraduate courses. Under this program, waivers for undergraduate fees are exempt from federal and state employment taxes. For graduate courses, the program qualifies as an Educational Assistance Program under Section 127. Under this program, fee waivers for graduate courses, 500 level and above, are exempt from employment taxes up to an annual amount of \$5250.00.

If you add more credits/classes after turning in the Staff waiver, you would need to provide to our office with a new form listing all the classes you are registered for that has been approved by either your supervisor, Dean or Department Head. Employees dropping or withdrawing from a course(s) after the deadlines, which is after September 2, 2022 for Fall Semester and after January 25, 2023 for Spring Semester, will only be responsible to pay for the reduced fees charged for the course(s). However, the amount of the fee reduction will remain on the account and is subject to tax, payable by the employee through the UI payroll check. Please contact your personal tax advisor for advice on how this will affect your income tax returns.
