Instructions - Part I

The State of Idaho is about to pay you an amount that may be reported to the **Internal Revenue Service (IRS)**. If the amount is reportable to the IRS, they will match this amount to your tax return. In order to avoid additional IRS scrutiny, we must provide the IRS with your name and either your Social Security Number or your Employer Identification Number. The name we need is the **name that you use on your tax returns** related to this payment. We are required by law to obtain this information from you.

Exemption: If you are exempt from backup withholding, indicate the reason why in the Exemption box, and we will not send you a Form 1099. For additional information on exempt status, please review the full IRS Form W-9 Instructions found on the IRS website at IRS.gov.

U. S. Person: This form may be used only by a U. S. person, including a resident alien. Foreign persons should furnish us with the appropriate Form W-8.

Penalties: Your failure to provide a correct name and Taxpayer Identification Number will delay the issuance of your payment and may subject you to a \$50 penalty imposed by the IRS under section 6723. If you make a false statement with no reasonable basis that results in no backup withholding, you could be subject to a \$500 civil penalty. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Confidentiality: If we disclose or use your Taxpayer Identification Number in violation of Federal law, we may be subject to civil and criminal penalties.

Privacy Act Notice

You must provide your TIN whether or not you are required to file a tax return. If you do not provide your TIN, certain penalties may apply. Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA or Archer MSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states and the District of Columbia to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, or to Federal and state agencies to enforce Federal non-tax criminal laws and to combat terrorism.

Instructions - Part II

Complete this section only if you wish to receive future payments by direct deposit or electronic funds transfer through the ACH network.
