Beautify Utility Boxes Around UI

Background
The University wishes to improve the campus aesthetics by incorporating student art work into the campus environment. This project seeks to ‘wrap’ plain electrical boxes found outside various campus buildings with decorative vinyl coatings. Each box will provide a three dimensional ‘canvas’ for student art.

The University intends to wrap boxes at three to five boxes on campus each year. Ultimately, there will be roughly twenty boxes featuring student art at the most prominent campus locations.

Site No. 16
Boxes A, B, & C
North east of Memorial Gym

Site No. 30
North of HF Gauss Engineering Bldg
Project Requirements:

**Site No. 16: History of Athletics @ the Memorial Gym**

In collaboration with the Athletic Department, three boxes will be wrapped outside the Memorial Gym (Site 16). We are looking for designs that embrace the history of our athletic department as well as the history of Memorial Gym. Memorial Gym is the oldest athletic building on campus and construction was completed in 1928. It also is the site for a war memorial honoring servicemen killed in World War I. In 1970, the building was placed on the National Register of historic buildings. Memorial Gym remains an active multi-use facility. From daily academic classes to Vandal volleyball and basketball games, the facility is used by hundreds of students every day.

Designs are sought which highlight that facility as well as feature the hundred-year history of our athletic department. We are excited to have a representative from the Athletic Department serve as an honorary member of the selection committee.

**Site No. 30**

Designs will:

- Positively portrays a Vandal, Moscow, or Idaho, theme
- Positively reflect student and/or campus life
- Stimulates respectful and thoughtful discourse
- Complements the landscape and/or immediate surroundings

**Technical Details**

Artists are encouraged to consider the three-dimensional nature of the ‘canvas’ and how graphic images may be cropped or duplicated to cover the box. For locations including more than one box, consider how graphic images might relate to one another.

Any type of media may be used to create original artwork, which must then be converted to a digital file(s). The digital images are to be provided as vectored files with a minimum of 100 dpi when enlarged.

**Submission Deadline:**
Friday, April 13, 2018 at 5:00pm

**For further information about submitting materials, contact:**
Brian Johnson (johnsonb@uidaho.edu)
Jovanni-Rey de Pedro (jdepedro@uidaho.edu)
Leah Evans-Janke (leahe@uidaho.edu)

*Entries that do not meet the specific technical requirements for this project will be disqualified.*
Beautify Utility Boxes Around UI
Submission Form
2017-18

Name: ______________________  Email: ______________________

Title (if applicable): ______________________

Artwork Dimensions: ______________________

Artwork is proposed for:  Site No: _________  Box No: _________

Does the attached work meet the 100 dpi minimum? ____________

---

**For Selection Committee Use Only**

Can this submission be cropped, duplicated, or otherwise manipulated to fit a utility box?
   If yes, why is it a good candidate? ______________________
   If no, why? ______________________

Did the submission meet the minimum requirements of being a 100 dpi vectored image?

To what degree did the submission fulfill the following requirements?

<table>
<thead>
