Cell Phone Stipends

Department heads and persons in equivalent positions are responsible for the business and financial operations of their unit, including the development and implementation of appropriate operating procedures and internal controls. Oversight of communication devices and services falls within that realm of responsibility. Department heads are responsible for ensuring accountability for and compliance with these policies and procedures:

**Application for Allowance:** In order for an employee to receive an allowance for the use of their communication device or service for university purposes, the employee must justify to their department head that there are business requirements that necessitate the frequent use of the device(s) to perform university business, and that such business cannot be accommodated by the use of university-owned communication devices and services. A completed and signed reimbursement allowance approval form will be kept in the employee’s departmental personnel file. The approval form is located at: http://www.its.uidaho.edu/default.aspx?pid=105166

**Setting the Amount of the Allowance:** Once a year, employees will work with their supervisors to determine the appropriate amount of the allowance, based upon a representative sample of documented university device usage, service costs, or on other quantifiable, auditable criteria, such as usage comparisons with other employees of the same job class or duties. The agreed upon allowance amount will be submitted to Accounts Payable at http://www.uidaho.edu/controller/accountspay under AP Forms. Documentation supporting the amount of the allowance shall be included in the employee’s departmental personnel file. The allowance will be calculated on a fiscal year basis. To continue the allowance, the stipend must be renewed at the beginning of each fiscal year. The employee and supervisor must reevaluate the amount of the allowance and make adjustments as needed. This allowance is not an entitlement. The university reserves the right to rescind this allowance at any time. The university can request reimbursement from the individual if the allowance is continued after the service was disconnected.
The Cell Phone Stipends are established as Recurring payments which occur at regular intervals. To accomplish that, Claim Vouchers are generated to establish the payments schedule that will automatically be paid based on a pre-established schedule.

To enter the cell phone allowance, please login to Vandal Web and go to "Administrative Tasks: Claim Voucher Entry" on the Employee tab. Select "Create new Claim Voucher." The amount entered for the claim voucher should be the amount being reimbursed each bi-week or month.
Scan the completed and signed **Reimbursement Allowance Approval Form** and attach it to the claim voucher form using the attach image button of the claim voucher. This will provide the necessary documentation for the claim voucher.
