- The comprehensive “Year End Calendar” is available online from General Accounting’s web page at: https://www.uidaho.edu/finance/controller/general-accounting
- The first day to enter FY21 purchasing requisitions is June 1, 2020.
- Review incomplete documents. Our goal is to process or delete all old incomplete JV’s by July 6, 2020. To determine if you have any run FGRIDOC for your user ID.
- Payroll cost transfers on Office of Sponsored Programs accounts need to be received by June 19, 2020.
- Please review your accounts by JUNE 30, 2020. Submit corrections so adjustments can be made prior to the fiscal year end. All requests for corrections to departmental charges and revenues must be entered in Banner by July 6, 2020.
- Please monitor your approval queues closely during June and early July to keep invoices and adjustments flowing smoothly through our system. July 7, 2020 is the last day for departments to request non payroll cost transfers and journal entries adjustments. You may want to check your queue 3-4 times per day.

Most Frequently Asked Questions

- **What determines which year is charged for a transaction?** Revenues are recorded when earned and expenses when an obligation is incurred, as required by the accrual basis of accounting. If delivery/receipt of goods and services is on or before June 30, the revenues/expenses is applied to the current year (FY20). If the transaction occurred after June 30, recognition occurs in the new year.
- **What will happen to the encumbrances at year-end?** All open encumbrances will be rolled at year-end. Accounts Payable will close blanket PO’s in June with May invoices. Encumbrances under $50 and blanket PO’s will be closed on or before July 6th.
