## APPENDIX A

### Account Title:

**In your narrative description of the daily activities of the new or existing fund please address the questions listed below.**

#### **1) Background information.**

Why did we choose to enter into this agreement?  
How does it contribute to the mission of the university?

#### **2) What is the source of the revenues?**

If it was a fundraiser, was it hosted on or off campus?  
Who footed the cost of the fundraiser was it the UI or the non-University entity?  
If we paid the up-front costs for a fundraiser when were we reimbursed?

#### **3) Who is involved in making the decision as to how the funds will be spent?**

Does the independent entity include us in the decision making process?  
To what extend are we involved in the decisions?

#### **4) Do we turn over all monies received from the independent entity to the designated recipient?**

Do we retain a portion for our out of pocket costs?  
If so, what were the funds retained for?  
Do we retain a buffer, to guard against a deficit balance in the account?

#### **5) Are there any tax related transactions?**

Do you withhold sales taxes?  
Do you withhold payroll related taxes?  
Do you have vendors who will require Form 1099? (We may need to inform the IRS of payments paid to vendors for services provided)

#### **6) Do we benefit from the funds in the agency account?**

Is anything purchased for the UI?  
Is it used to pay for services provided by the UI?

#### **7) Do you pay wages to UI employees?**

Are the wages a subsidy (part is paid by UI and part paid by the county, for example)?  
Is this a full-time employee, part-time, irregular help..?

#### **8) Under what scenario would your account have a deficit balance?**

Do have pay up-front fees to secure a venue or registration fees before you actually start receiving fees from the participants? For example, you book a conference center but the attendance was lower than expected. As such, the fees received from the participants do not cover the venue charges.

#### **9) Did you select the Question 10A option that transfers remaining funds to the UI gift fund?**

If so, did you get signature approval from the Principal; the person or group who entrusted the UI with their funds? If this is a student organization you may request the signature from the chair of the group or the national office.

10) Is this a student group?

If so, are they registered with the Student Activities office? If registered, why aren't they availing themselves of the services provided by that office (versus requesting an agency fund)? Include a copy of the constitution.
