A Word From Our Pro

Season's Greetings from the University of Idaho Golf Course. It seems we were good this year because Santa has dropped off an early present. We have received a donation that allowed us to purchase a new rototiller implement for our tractor. This rototiller will allow us to prepare the soil for some upcoming tee box refurbishment projects this year, including leveling teeing areas, improving textures and alleviating compaction to improve playability. The rototiller will help us improve soil conditions for the development of our new turf farm and improve weed mitigation to improve native grass areas. So, if the spirit moves you and you're still looking for 2017 tax deductions, you might consider The Larry Hunter UI Golf Course Improvement fund at the UI Foundation, Inc. 875 Perimeter Dr. MS 3143 Moscow, ID 83844. Or you can call 208-885-4000 for more information.

Don't forget to come up and try out our new simulator so you can keep golf fit when the snow flies. Happy Holidays!!!
