September 2017

A Word From Our Pro

I am pleased to announce that we hired a new golf course superintendent whose start date will be Sept. 18. We are very excited for his arrival and the expertise he will be bringing to the UIGC. The skeleton grounds crew has done an excellent job maintaining the golf course during this lengthy transition. This new hire is a defining moment in the university's commitment to the golf course.

Many of you may have noticed increased activity around the golf team hitting structure. Over the next couple weeks, Facilities is overseeing the final redesign of the steep slope between the building and number 3 green. The installation will include a load-bearing wall made of permanent interlocking blocks that will stabilize the foundation of the building.

I would like to thank all who participated in our annual golf improvement tournament including players, sponsors, donors and staff. We raised \$6,300 and had one more team than last year, so we're moving in the right direction!

I would also specifically like to thank Jay Mlazgar for his efforts in organizing and fund raising for this event and express our appreciation for his tenure as President of Men's League. Jay may you hit your new driver long and straight.

And finally we would like to welcome Rob McPherson as our new Men's League President. You have a good blue print to follow with Jay's fine example and bring your unique creativity and perspective to men's League activities.

It's that time of year to crown a champion. The University of Idaho Golf course is holding its Club Championship. Sign ups now in the Golf Shop. No entry fee required. Match play format.

Doug Tyler, PGA

Director of Golf, University of Idaho Golf Course

From the Golf Shop
