A Word From Our Pro

Here comes the sun! Finally a sustained break in the weather. Pent-up demand has really brought the golfers out to play. It's a delight to sense the excitement in the air! Please bear with us as the ground crew gets caught up mowing. Many days of continuous rain created flooding in low lying areas that didn't allow the crew access with equipment. Consequently, some of the rough is very long and lush, but we are making progress!

In the meantime, be forewarned fairways and accuracy are at a premium. Remember, both Women's and Men Leagues are ramping up for the season. We are always looking for new teams and subs, so if you are interested in signing up, just check in the golf shop for contact information.

On the pro-am front: the team of Rudy Carpenter, Brant Lovell, Thad Froio and Jeremy Nelson finished T-4th at the Creek at Qualchen. We had two teams go up the Coeur d'Alene resort ladies-only pro-am last Monday. The weather was great, and there were numerous balls that found the island green in regulation. We would like to thank all of the men and women that have participated so far this season. We have many more great events to come, so makes sure you get on the sign-up sheet.
