

Completing A Master Promissory Note

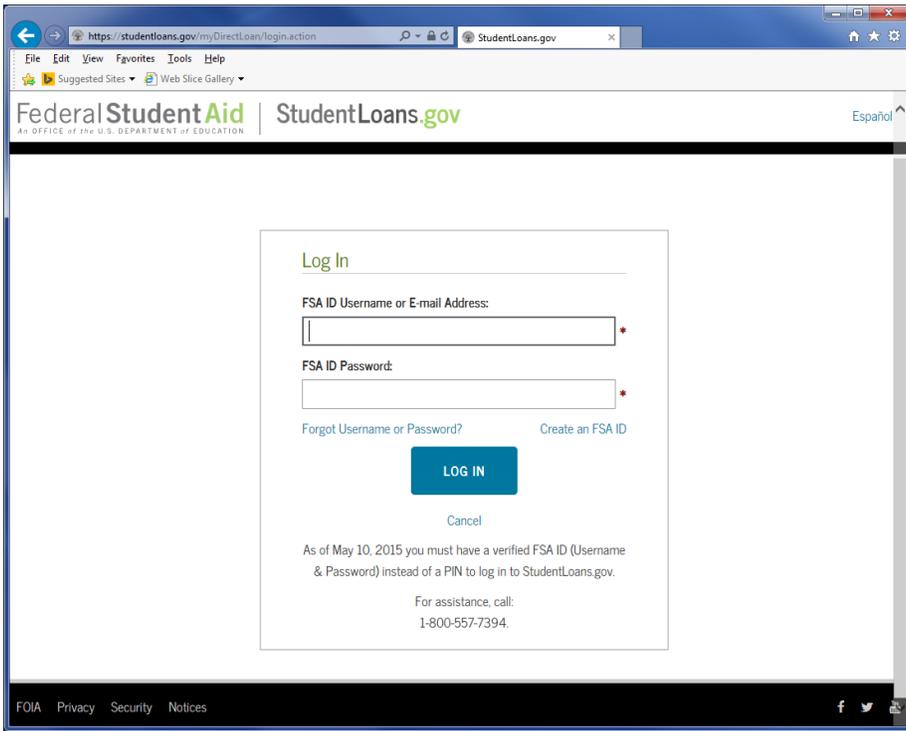

To start this process you will need to know your FSA ID. If you can not remember or have not applied for a FSA ID you must confirm/apply at https://nsldsfa.gov/nslds_FAP/ before beginning the MPN.

Step 4 takes approximately 30 minutes to complete; you will need your personal and employer information, as well as two US references complete with mailing address, phone number, and email address. We recommend you do not use a fellow student as a reference unless you have known this individual for at least three years.
