Step 4 takes approximately 15 minutes to complete; you will need your personal and employer information, as well as two US references’ complete mailing address, phone number, and email address. If you as a borrower pass the immediate credit check, the application process will proceed to the Master Promissory Note, if you have never completed a note or a prior note has expired. If you are denied and will be pursuing the PLUS with an appeal of circumstances or an endorser, PLUS credit counseling is now required. If you are pursuing a PLUS with an endorser, that individual will also need a FSA ID#.
