Guidance provided to students:

- . Students who received the CARES Act funding were sent the following email:

We wanted to inform you that Higher Education Emergency Relief Funds from the CARES Act have been released to your student account. If you are set up for direct deposit, you should see it in your bank account within the next 5 days. If you didn't sign up for direct deposit, a check will be mailed to you on Tuesday, May 12. You are not required to document how you spend these emergency funds.

Higher Education Emergency Relief Funds are specifically intended for expenses related to the disruption of campus operations due to coronavirus. These expenses can include eligible expenses already included in your cost of attendance, including but not limited to:

- Relocation expenses
- Food
- Housing
- Course materials
- Technology

- Health care
- Child care
