

Proposed action: Allow full participation of all eligible faculty (as defined by FSH 1520 II.1) in the Spring University Faculty Meeting of May 6, 2020, using remote meeting and voting technology.

Policy at Issue: FSH 1540 Standing Rules of the University Faculty

Reason for action: Per FSH 1540 A-1, eligible faculty who seek full participation at faculty meetings must join one of the venues approved by Faculty Senate. A revision to FSH 1540 allowing for remote participation (with vote) by any eligible faculty “who are unable to attend in person” is currently in the approval process ; however, it will not be in effect in time for the Spring UFM. This emergency action has the support of Faculty Senate leadership.
