

# University of Idaho

**TO:** University of Idaho Faculty, Staff and Students

**FROM:** Scott Green, President  
Torrey Lawrence, Provost and Executive Vice President

**DATE:** May 3, 2021

**SUBJECT:** We Are Approaching the Finish Line

---

In this final week before exams and commencement, we continue to see the benefit of our actions. We finished last week with 454 COVID-19 test results with 2.64% of those being positive.

Surveillance testing concludes this week — although symptomatic testing remains available by contacting [covid19questions@uidaho.edu](mailto:covid19questions@uidaho.edu) and will be available throughout the summer. Vaccines continue to be broadly available across the state.

Please join us Saturday and Sunday, May 15-16, as we celebrate our Moscow and Coeur d'Alene graduates in six in-person commencement ceremonies. We follow these with ceremonies in Boise and Idaho Falls on May 18 and 19, respectively. [Instructions for graduates and faculty](#) are available on the commencement website. We are also looking for [more volunteers to help](#) with the ceremony.

We look forward to a return to normal operations in the fall, pending any significant changes in the pandemic in our state and region.

Keep Calm and Vandal On.
