SUBJECT: Rapid Tests Available Across the State

We continue to encounter COVID-19 disruptions but are hopeful that positive cases will trend downward in the coming weeks. In the meantime, we will continue to follow our protocols, strive to keep ourselves healthy and support each other.

Continue to take any symptoms seriously. Stay home if you aren't feeling well, for any reason. Faculty and managers, be as flexible as possible. Free rapid tests are available daily on the Moscow campus from noon to 2 p.m. at the Student Recreation Center, east entrance. A valid VandalCard is required. Rapid tests are also now available at our centers in Idaho Falls, [Boise](#) and [Coeur d'Alene](#). Contact center executive directors' offices for more information. You can also [order free rapid tests](#) from the federal government.

The first vaccine incentive drawing of the semester resulted in Bryce Hendrickson, a second-year student from Pullman majoring in computer science, winning a \$1,000 tuition incentive. Students, [submit your proof of vaccination now](#) to be included in future drawings. [Vaccines are readily available](#) for free across the state. We continue to offer [vaccination clinics](#) for students and employees in Moscow.

Report any positive cases through a [VandalCare report](#) so the university can best assist you. Take care of yourself. The Counseling Center is available at 208-885-6716. For employees, our [EAP program](#) is available.

Keep Calm and Vandal On!
