INSURANCE

Even a small trip to the hospital can have a major impact on your finances.

Here’s a way to help make your visit a little more affordable.
The plan that can help with expenses and protect your savings.

Does your major medical insurance cover all of your bills?

Even a minor trip to the hospital can present you with unexpected expenses and medical bills. And even with major medical insurance, your plan may only pay a portion of your entire stay.

That’s how the Aflac Group Hospital Indemnity plan can help.

It provides financial assistance to enhance your current coverage. So you may be able to avoid dipping into savings or having to borrow to address out-of-pocket-expenses major medical insurance was never intended to cover. Like transportation and meals for family members, help with child care, or time away from work, for instance.

The Aflac Group Hospital Indemnity plan benefits include the following:

- Hospital Confinement Benefit
- Hospital Admission Benefit
- Hospital Intensive Care Benefit
- Intermediate Intensive Care Step-Down Unit
