

2021-22 Campus Parking Map

Parking on the University of Idaho campus is managed by Parking and Transportation Services ("PTS"). Annual permit prices for color-coded lots are indicated below and are prorated throughout the year. Flexible daytime parking is also available in Pay-to-Park lots and spaces, with coin, credit card, and mobile payment options available at the time of parking. Visitor permits for one or more days of parking are available for purchase at the PTS office or online at aims.parking.uidaho.edu. Questions? Call 208-885-6424 or email parking@uidaho.edu and *ask first, before you park*, to prevent receiving a parking citation.

Parking and Transportation Services
