Important!

Purchasers of passes must understand that Kibbie Dome is a very busy place. There are many closures due to special events in the facility. Though every effort will be made to make the facility available for users, there are blocks of time with little to no access. You should plan for us to be closed:

- University Holidays
- Vandal Football Game Days
- Home Basketball Games
- The week of the Lionel Hampton Jazz Festival
- Private Rentals

Please Note: Indoor tennis will be extremely restricted. Due to athletic team practices and other campus uses, open recreation tennis will be difficult at best.

We will endeavor to make ample notification of any planned closures that will impact our users.
