

Traction Device Program

Thank you for your interest in participating in the traction device program. To be eligible, you must be a university faculty or staff member covered by the workers compensation program. Facilities employees participate in their own internal programs and are not eligible for this traction device program.

Please feel free to use your traction devices both at work and at home.

Procedure for pick up:

- Complete this form and bring it with you to either Risk or EHS – blank forms will not be available at these offices.
- Bring your Vandal Card.
- You must pick up your devices in person; requests via email or campus mail cannot be fulfilled.
- You must pick up your own pair of devices; someone may not come pick them up for you.
- We suggest bringing the winter shoes/boots you will wear with these devices to ensure a good fit.

Procedure for return:

- **If you leave University of Idaho employment, please return traction devices to University of Idaho, EHS office.**

Pick up locations:

- Risk Management – TLC 48 & 49
- Environmental Health & Safety – 1108 W 6th Street
