

Service Learning Resource Guides Websites and Literature

Literature

- [An Introduction to Service Learning Pedagogy](#) Service learning can be defined as both an educational philosophy and a pedagogical technique for combining community service with academic objectives. This paper is a brief introduction to service learning.
- [Service-Learning in Two Keys: Paulo Freire's Critical Pedagogy in Relation to John Dewey's Pragmatism](#) This article compares the educational and philosophical theories of John Dewey and Paulo Freire, articulating how each deals with two key relationships: action to reflection, and individual to society.
- [Service-Learning in the Classroom](#) Short article outlining benefits for students, teachers, schools, and the community
- [At A Glance: What We Know about The Effects of Service-Learning on College Students, Faculty, Institutions and Communities, 1993-2000: Third Edition.](#) "At A Glance" summarizes the findings of service-learning research in higher education over the past few years. It is designed to provide a quick overview of where we are in the field today.
- [How Service Learning Affects Students](#) This study explores the comparative effects of service learning and community service on the cognitive and affective development of college undergraduates and enhances our understanding of how learning is enhanced by service.
- [Reflection Practices](#) Ideas and procedures for incorporating effective reflection into courses.

Websites

- [Campus Compact](#) Campus Compact advances the public purposes of colleges and universities by deepening their ability to improve community life and to educate students for civic and social responsibility. Sample course syllabi available on this site.
- [National Service-Learning Clearinghouse](#) This website has a wealth of resources to support service-learning activities at all levels of education: education and training materials, a library of literature and resources, and website links.
- [National Youth Leadership Council](#) This council works to connect youths, educators, and communities with the goal of redefining the roles of young people in society.
- [Learn and Serve America](#) This is the website for the Corporation for Community and National Service. Its focus is on state and national service community service information and programs.
