

## **April 5, 2017: Roof Replacement at Art & Architecture Main**

The state of Idaho Division of Public Works is administering a project to remove and replace the roof system on the College of Art & Architecture Main Building. Weather dependent, work will begin this Friday, April 7, 2017. The work is intended to be complete by April 28, 2017. The Pine Street Pedestrian Mall will be closed to vehicular traffic for the duration of the work, although pedestrian access will be maintained. University of Idaho points of contact are Daryle Faircloth, UI Project Architect, and Richard Rader, UI Construction Manager. Both may be reached at 208-885-6246.
