  - Part 2: Personal Statement of Accomplishment

CANDIDATE STATEMENTS (PART 1)
(similar to the item formerly known as the “Portfolio”)

A Context Statement, written by the candidate, describing the candidate’s academic unit and the candidate’s responsibilities within his or her unit as established in the position description. It is intended to inform reviewers about the candidate’s academic environment so that reviewers may consider the similarities and differences between their own academic unit and that of the candidate. The context statement should also describe the expectations placed on the candidate by interdisciplinary programs or research centers, the requirements of joint appointments or other special circumstances.

If applicable, the candidate shall indicate his or her choice of unit criteria for promotion and tenure under which to be evaluated, pursuant to D-2.a.2.
CANDIDATE STATEMENTS (PART 2)

The candidate has an opportunity to interpret their record of accomplishment relevant to the responsibilities in their position description and the criteria for promotion and/or tenure, but should not duplicate other materials in the dossier. The statement may explain and analyze materials submitted and include a philosophical vision as it relates to the broader impact of accomplishments. The statement explains the nature of the faculty member’s activities so that others will understand them fully for purposes of assessment. The format and method of presentation is a matter of faculty choice.

EVIDENCE OF ACCOMPLISHMENT

D-1-c. Evidence of Accomplishment.

- Evidence of accomplishment may be provided for each area of responsibility in the position description.
- Evidence could include examples of scholarly work, teaching evaluation materials, letters of support, etc.

Notes:

- If materials were sent to external reviewers, the four examples of scholarly work should be included here.
- Faculty are encouraged to provide links to online resources.
TEACHING EFFECTIVENESS
