Semester reentered UI: Summer Fall Spring Year _____

Last semester enrolled before returning: Summer Fall Spring Year _____

Information regarding application to the Fresh Start Program (Catalog regulation L-7):

- The Fresh Start Program is designed for former University of Idaho students wishing to reenter in an undergraduate degree program. Students can apply for the Fresh Start program once.
- Applicants must have left the UI with a cumulative GPA of less than 2.0.
- The application materials must demonstrate applicants are now better prepared to be a successful student. Students must complete an application for the Fresh Start Program by the end of the semester in which the minimum requirements are met.
- Acceptance into the Fresh Start Program will occur after successful completion program requirements, 24 credits with a minimum cumulative GPA of 2.00. A student must apply for a Fresh Start through their College Dean's Office by the end of the semester following that in which they met these minimum credit and GPA requirements.
- All previous UI academic work will remain on the official record, but the GPA will be reset to 0.00 as of the time of readmission to the University of Idaho. Credits earned will remain intact and a notation will be made on the official transcript.
- Once the Fresh Start requirements are successfully completed, the count for the 21-credit limit on withdrawals will be reset to 0 as the time of readmission to the University of Idaho.
- A complete application and three letters of recommendation must be submitted to your academic Dean's office. Applicants will need to communicate with the associate dean of the college sponsoring your major. Applicants may be required to be present for an on-campus interview. Upon Dean's approval, the application is to be forwarded to the Registrar's Office to be recorded.
- If all eligibility requirements are met, acceptance into the Fresh Start Program will commence upon the approval of your application by your respective college. If all eligibility requirements are not met, the applicants has the right file a petition through the college they wish to enter to be heard by the Academic Petitions Committee for waivers.

I have read and understood the information printed above. I am requesting admission to the Fresh Start Program and hereby agree to take good advantage of this opportunity.

Carefully read and answer the following questions (use separate sheet of paper.) Submit answers to your proposed academic dean with three letters of recommendation in support of your Fresh Start application.

ANSWER ALL QUESTIONS THOROUGHLY, HONESTLY, AND CAREFULLY.

When considering this application, the associate dean (and the petitions committee, if required) will ask two questions:

- a. Is there sufficient evidence to indicate that the problem(s) that led to your previous difficulty have been eliminated or adequately reduced?
 - b. Does this person, if re-enrolled, have a good chance of success in the requested academic area?
1. Discuss specific reasons why you are now in a good position to benefit from the Fresh Start Program.
 2. Explain why you are now capable of maintaining good academic standing.
 3. List specific courses, training, or other steps toward self-improvement you have taken to improve your chances for success in college study.
 4. Describe your current educational goals.
 5. Include any additional information that you feel would be useful to the evaluation of your application. Attach additional pages if needed.

**Please attach three current letters of recommendation in support of your application.
Application and supporting documents are to be submitted
directly to the intended College of enrollment for consideration.**
