

**General Curriculum Report #307**  
UNIVERSITY OF IDAHO – OFFICE OF THE REGISTRAR  
NOVEMBER 15, 2021

TO: MEMBERS OF THE UNIVERSITY OF IDAHO FACULTY

The items listed below, approved by the University Curriculum Committee, will be considered to have the necessary faculty approvals unless a petition requesting further consideration of specific items is signed by five faculty members and submitted to the chair of the Faculty Senate within 14 calendar days after the date of circulation. If no petition is received within 14 days, the entire report will be submitted to the president for approval and transmittal to the regents, if regents' action is required. If a petition is received, the items in the report for which further consideration is requested will be referred to the Faculty Senate and the remainder of the report will move forward. On items referred to it, the council may: (1) affirm the action and report it to a meeting of the university faculty, (2) amend the action and report it to a meeting of the university faculty, or (3) rescind the action. *Note:* If a petition concerns courses or curricula in the College of Letters, Arts and Social Sciences or in the College of Agricultural and Life Sciences and is signed by five faculty members of the respective college, those items will be returned to the college concerned for further consideration.

All Items below are considered effective Summer 2022 unless otherwise noted with the approved item.

The links in the document are for our online Curriculum Inventory Management (CIM) system. All University of Idaho faculty members should have access to view proposals in CIM. After clicking the link, log in with your regular university credentials. Tip: If you plan to view more than one proposal, keep the first tab open to prevent you from having to log in again each time.
