NSF Broader Impacts

Session 3 of *NSF CAREER: All Year*

Open to All

Wednesday, November 28, 2018

3:30 - 4:30 p.m.

IRIC 305 (UI campus)

To join via Zoom: uidaho.zoom.us/j/853996826

Dr. Lizette Waits, Distinguished Professor, College of Natural Resources, will lead a discussion on Broader Impacts, defined by the National Science Foundation as “the potential to benefit society and to contribute to the achievement of specific, desired societal goals.”

Participants will learn how to address Broader Impacts as required in NSF proposals, and how they can be accomplished through research and activities related to research projects.
