

Undergraduate Research Call for Applications

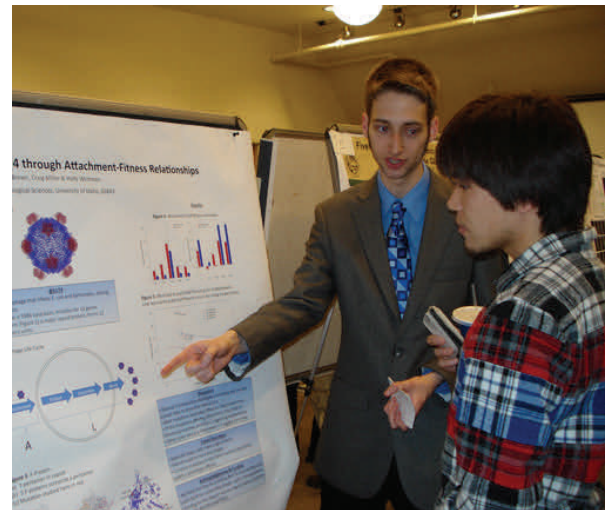

Funded by the Department of Biological Sciences:

- △ Undergraduate research grants are available for students doing research with Biological Sciences faculty.
- △ Undergraduate research grants are typically **\$1,500**.
- △ Submission deadline for proposals:
(plus letter from faculty mentor)
Wednesday, April 01, 2020.

How to get started:

- △ Talk to your **advisor** about your objectives and interests
- △ Talk to your **peers** who participate in undergraduate research.
- △ Talk to **faculty** working in a biological area of interest.
