The University of Idaho Mass Spectrometry (UIMS) Core is partially supported by the National Institutes of Health (NIH) Idaho INBRE Program, Grant # P20GM103408.

Therefore, if data generated by this NIH-supported Core is used in a manuscript, authors are obligated to do two things:

1. List the UIMS Core and the NIH grant in the manuscript acknowledgements as follows:

Chemical analyses include work by the University of Idaho Mass Spectrometry Core supported by the UI Office of Research and Economic Development, College of Agricultural and Life Sciences, College of Science, and Idaho INBRE (NIH/NIGMS Grant # P20GM103408).

2. Make the publication freely available in PubMedCentral and obtain a PubMedCentral ID (PMCID) number. The PMCID number must be included in all citations of the work and the PMCID number must be reported to the UIMS Core Director.

For more information see the NIH Public Access Policy at <http://publicaccess.nih.gov/> or contact Dr. Lee Deobald, Core Director, or Linda Liou, Idaho INBRE Program Manager, at lioul@uidaho.edu.
