DEPARTMENT OF GEOGRAPHY SEMINAR SERIES PRESENTS:

Derek Watkins

New York Times

Spatial Storytelling at the

New York Times

Maps are now an essential part of journalism and are used everyday to visually present the news. Join us for a discussion with Derek Watkins, Graphics Editor for the New York Times, about how maps and mapping technologies help journalists tell the stories that matter by focusing on the question of where.

Thursday Nov. 29, 3:30 PM
McClure Hall Room 209
