

## Getting set up for your Polya Mathematics Class (Math 108, Math 143, Math 144)

1. MyLabsPlus Registration – go to <https://uidaho-mlpui.openclass.com>
  - Usernames are the full @vandals.uidaho.edu email address. You must include the whole address.
  - Passwords are the last four digits of the VNumber (this is often also the four digits in front of @ in student email addresses)

➔ If you registered for the course on VandalWeb within the last 24 hours, you won't be in the database yet. Send an email using the Polya interface to request assistance: <https://sites.uidaho.edu/polyaweb/Login> .

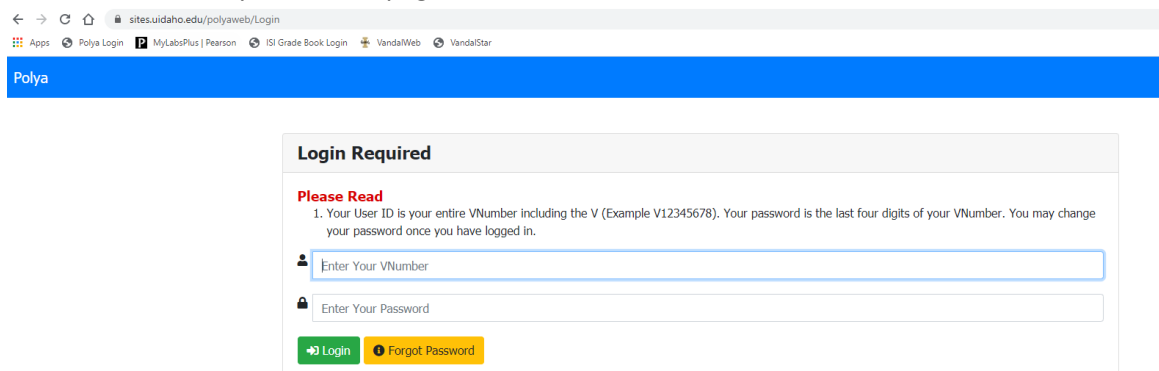

➔ **Please note: SAFARI WON'T WORK. You will need to use Chrome or Firefox.**

The MyLabsPlus page will look like this:

2. In order to send an email, use the Polya Interface: go to <https://sites.uidaho.edu/polyaweb/Login>
  - Usernames are VNumber including the "V"
  - Passwords are the last four digits of the VNumber

This is what the Polya Interface page will look like:

3. Accessing the Class Meetings on Zoom
  - You may only join using your Zoom account with UI credentials.
  - If you log in with your UI credentials and still have trouble, contact the ITS Student Technology Center for assistance: <https://www.uidaho.edu/its/stc> .
