Community Representative Funds

Brandon, Floor 3 Gooding, spent 150 dollars of his floor's funds and 118 of the upgrades fun to buy his floor a new TV

Olivia, Floor 1 Ballard, spent \$43.18 of her floor's funds to buy a Roku remote and batteries.

Area Wide Fund

There was no area wide event that took place this month, so the \$3,000 dollars allocated is still at \$3,000 dollars.

Community Events Fund

This month we had a Ramen, Popcorn, and Movie night that cost a total of \$19.12. With about 50 attendees this averages us to about 40 cents a person which is great.

Upgrades Fund

This month we spent \$59.38 replacing the ping pong paddles and pool cues in the basement of Wallace.

This month we also diverted \$118 of our funds to Gooding floor 3 to help replace their broken TV.

President Money

The President has not yet awarded a community recognition award, so there has been no money spent out of the President's budget this semester.
