Concurrent with Student's execution of the Room Reservation (when Student reserves a room in the Residence Halls), Student shall pay a \$200 deposit ("Deposit") in order to ensure the faithful performance by Student of all terms and conditions of this License Agreement and other Student obligations to the University. The Deposit must be paid before the Student's room assignment can be made. The University agrees to refund the Deposit to Student within thirty (30) days following Student's move-out of the residence halls if all of the following conditions are met: (1) Student has satisfied all of the terms of this License Agreement, including residing in the Residence Hall for the full term of this Agreement; (2) the room to which the Student has been assigned is left in as good condition as at the time of original occupancy by Student, reasonable wear and tear excepted; (3) Student does not have a Residence Hall and Dining Services License Agreement for the following spring or fall semester; and (4) Student has satisfied all other financial obligations to the University, (collectively "Deposit Return Conditions").

4. Cancellation of Reservation. If student cancels his/her Room Reservation regardless of date of application the entire Deposit will be forfeited. A key/access will be available for pick-up to students on the date the license agreement term begins. **Once Student picks up a key or access to the assigned space it is considered occupied and Student shall be obligated to pay all amounts due under this License Agreement for the full duration of the term of this License Agreement.** If prior to the expiration of the License Agreement, Student ceases to be registered as a student at the University, Student shall (1) become ineligible for residence hall occupancy and must vacate the Assigned Space within three (3) days of ceasing to be registered, except where the University has agreed in writing to extend this date; (2) forfeit all amounts due under this License Agreement for the full duration of the term of this License Agreement; (3) forfeit the entire Deposit; and (4) be charged other applicable fees as indicated in section 10 of this License Agreement.

The University may terminate this License Agreement for any of the above reasons upon giving the student three (3) days written notice. The notice shall state the reason for termination and the date of termination, which must be at least three (3) days after providing notice in accordance with Section 8. After the date of termination, the University shall be entitled, without further notice, to enter the Assigned Space and repossess the same, and to remove Student and Student's property without any liability for trespassing or otherwise. The three-day notice requirement does not apply to the circumstances described in Section 7.7 or 7.8 above.

In the event this License Agreement is terminated in accordance with the provisions of Section 7, Student shall be required to immediately surrender the Assigned Space and all University-owned property to the University under the same terms and conditions as would apply under this License Agreement if the surrender were to take place at the completion of this Agreement. The University may reassign the Assigned Space or any part thereof in the name of the University on such terms and conditions as the University may determine. **TERMINATION OF THIS AGREEMENT IN ACCORDANCE WITH THE PROVISIONS OF THIS SECTION SHALL NOT RELIEVE STUDENT OF HIS/HER LIABILITIES AND OBLIGATIONS UNDER THIS AGREEMENT AND SUCH LIABILITIES AND OBLIGATIONS SHALL SURVIVE ANY SUCH TERMINATION.**

If Student's property remains in or about the Assigned Space and any other Housing & Residence Life property after this License Agreement has expired without renewal or has been terminated, Student will be charged for the removal of any property and a reasonable storage fee. If Student's property is not reclaimed, and removal and storage fees are not paid, within ten (10) days after the expiration or any termination of this Agreement, it will be treated as abandoned property, and the University may sell or otherwise dispose of such property in any manner without liability. A Student who fails to vacate the Assigned Space and any other Housing & Residence Life property by the last day of the Agreement shall forfeit the Deposit. Further, if Student remains in the Assigned Space or any other Housing & Residence Life property after the last day of this Agreement without a written extension signed by University, Student will be deemed to be trespassing.

12. Proper Check-Out. At the conclusion or termination of this License Agreement, Student must properly check-out of the Assigned Space by returning his/her keys and stopping at the Housing Information Desk to have access terminated. Improper check-out shall result in Student being assessed (1) an improper check-out charge of fifty dollars (\$50); (2) a seventy-five dollar (\$75) charge for lock changes if keys are not returned on time, and (3) any applicable cleaning and damage charges. Student is not considered checked-out until all keys are returned to Housing & Residence Life. Student will continue to accrue daily charges until the keys are returned or a lock change has been processed.

13. Indemnity. To the extent permitted by law, Student shall indemnify, defend and hold the State of Idaho and University and its governing board, employees, agents and assigns harmless from and against any and all claims, losses, damages, injuries, liabilities and all costs, including attorney's fees, court costs and expenses and liabilities incurred in or from any such claim, arising from any breach or default in the performance of any obligation on Student's part to be performed under the terms of this License Agreement, or arising from any act, negligence, or failure to act of Student or any of Student's agents, relatives, invitees or guests.

If individual responsibility for the damage/loss cannot be established, cost of repair will be equally divided among the residents of the applicable Assigned Space, suite or Residence Hall.

15. Room Assignment Decisions. Housing & Residence Life reserves the right, at its sole discretion, to make assignments and re-assignments of space within Housing & Residence Life properties and to authorize or deny room and roommate changes. Housing & Residence Life may reassign Student to a different Assigned Space at any time for any or no reason. If Student is paying for a double room but finds himself/herself without a roommate, the Student will receive a communication from Housing & Residence Life laying out the following choices: (1) Student can consolidate by moving to another room to become another student's roommate or by staying in the Assigned Space and receiving another roommate, at Housing's sole discretion; or (2) Student can pay the single room rate and remain in the Assigned Space without having a roommate, subject to Housing occupancy availability. Student must respond within seven (7) calendar days with his/her decision. Failure to respond within the time frame will result in Student being deemed to have selected the second choice and being assessed the single room rate from the time his/her roommate checked out of the room.

16. Assigned Space Changes. If Student wishes to request a change to his/her Assigned Space during the course of this License Agreement, at his/her own request and not as part of a Housing & Residence Life re-assignment, he/she may do so by submitting an online [room change request form](#), subject to the conditions and limitations set forth in paragraph 16, above. Assigned Space changes may be requested after move-in and are not permitted during the final two (2) weeks of the semester. Room changes will incur a \$50 processing fee, charged to the Student Account.

17. University Right of Entry. The University shall in its sole discretion and at all times have the right to enter the Assigned Space without notice or consent of Student when the University has reasonable cause to believe that: (a) there exists an immediate threat to the health, safety or property of Student, the other occupants of the Assigned Space or the Residence Hall, or (b) University or private property is at risk of damage or destruction. In addition, Student authorizes University personnel to enter the Assigned Space to close and secure it, to make necessary or desirable repairs, to show the room to prospective residents, for routine or other maintenance, for routine inspections, and for other purposes as deemed necessary or desirable by University.

18. Firearms, Fireworks, and Explosive Devices and Substances.

Except as explicitly permitted by [Administrative Procedures Manual 95.12](#), firearms and dangerous weapons are strictly prohibited on University

property, including the Assigned Space, Housing & Residence life property and surrounding areas, and even private vehicles parked on University property. Dangerous weapons include, but are not limited to, non-culinary knives, air rifles, BB guns, pellet guns, paintball guns, nunchucks, throwing stars, swords, and archery equipment. Firearms and weapons are further defined in the Student Code of Conduct. This prohibition includes possession, storage and use of these items. Violations of this provision or the University's policies regarding these items may be referred to the Office of the Dean of Students and may result in the immediate termination of your Residence Hall and Dining Services License Agreement. University personnel may confiscate without liability (i) any prohibited item, or (ii) any item used for purposes of intimidation or harassment.

19. Fire or Casualty Loss. If Student's Assigned Space should at any time be rendered uninhabitable in whole or in part by fire or other casualty, the University may, at its option, either immediately terminate this License Agreement without liability to Student, or repair and replace the damaged Assigned Space within a reasonable time. Alternatively, the University may, at its option, find alternative suitable housing for Student.

20. Occupants. Student acknowledges and agrees that only Student and any suitemate/roommate who may be assigned by the University at its discretion will be permitted to occupy the Assigned Space. No other occupants shall be permitted without the prior written approval of the University.

23. Personal Property and Insurance. The University shall not be liable for loss of or damage to Student's personal property, wherever situated, due to fire, smoke, power outage, theft, water, electric surge, or any other casualty or cause. Student is encouraged to obtain insurance adequately covering loss of or damage to Student's personal property. The University does not provide such coverage.

24. Severability/Non-Waiver/Remedies Cumulative. This License Agreement is intended to comply with all applicable laws. If any one or more of the provisions of this License Agreement shall be held invalid or unenforceable, such provision(s) shall be modified to the minimum extent necessary to make it valid and enforceable, and the validity and enforceability of all other provisions of this License Agreement shall not be affected. The failure of the University to exercise any right or remedy shall not be deemed to be a waiver by the University of any such rights or remedies. No terms or conditions of this License Agreement required to be performed by Student and no breach thereof shall be waived, altered or modified except by the express written agreement of the University. The receipt of payments by the University with the knowledge of the breach of any terms, covenants or conditions of the License Agreement shall not be deemed a waiver of such breach. Remedies of the University under the terms of this License Agreement are cumulative and are not exclusive of any other rights or remedies available at law or in equity.

25. Conviction of a Crime. Student must notify Housing & Residence Life in writing if he/she has ever been convicted of a crime or is currently charged with a crime (the term "conviction" will be interpreted broadly and will include pleas of no contest, deferred adjudications, withheld judgments and similar dispositions, whether occurring as an adult or a juvenile). Student must provide Housing & Residence Life a statement with a complete description of his/her actions and full details of the charges/sanctions against him/her. Failure to notify Housing & Residence Life of a criminal conviction prior to Housing & Residence Life occupancy or immediately upon being charged with or convicted of a crime during Housing & Residence Life occupancy may be grounds for denial of, or immediate removal from, Housing & Residence Life, or termination of the License Agreement.

Once Housing & Residence life has been notified by a Student that he/she has been convicted of a crime or is currently being charged, the matter will be reviewed. The University shall at all times have the right to determine in its discretion if Student is eligible to occupy an Assigned Space in Housing & Residence Life.

26. Costs. Student shall pay all costs, including attorneys' fees and costs and collections agency fees and costs, incurred by the University in the collection of charges due under this License Agreement, repossession of the Assigned Space, and enforcement of the terms and conditions of this Agreement. Additionally, in the event of litigation relating to the subject matter of this License Agreement, including but not limited to a challenge to any term contained in this License Agreement, Student shall reimburse the University for all costs, including attorneys' fees and costs, resulting therefrom should the University be the prevailing party. The term "prevailing party" as used in this License Agreement means the party obtaining substantially the relief sought, whether by compromise, settlement or judgment. If a written settlement offer by the University is rejected and the judgment or award finally obtained is equal to or more favorable to the University than an offer made in writing to settle, the University is deemed to be the prevailing party from the date of the offer forward.

27. Venue/Governing Law/Waiver of Jury Trial. This License Agreement shall be governed by the laws of the State of Idaho, without regard to its conflicts of law principles. Venue of any legal action relating to the subject matter of this License Agreement shall rest exclusively in Latah County, Idaho.
