SAFETY

This year we are asking students to limit those coming to campus to help with move in. To keep our students, families and staff as safe as possible, we are asking that when possible only the student enter the building to move into their room.

IF YOU'RE SICK, STAY HOME

If you have an illness or are not feeling well please delay your move-in until you are feeling better.

FACE COVERINGS REQUIRED

Face coverings are required inside all university buildings. These include cloth masks, bandannas, scarves or any other material that covers the nose and mouth. The exception to the requirement is while you are in your private living space. Face coverings must also be worn outside when social distancing of at least six feet is not sustainable.

BEFORE YOU ARRIVE

ORDER YOUR VANDAL CARD

A Vandal Card, the official student ID, is required to check into your residence hall and use your meal plan. Order your Vandal Card on-line and submit your own photo before you arrive to campus!

Cards typically take 2-3 days to ship so we recommend you order your card at least two weeks before your arrival. To order your card visit uidaho.edu/check-in. **You must have your Vandal Card with you in order to check into your room.**
