VANDAL SCHOLARSHIP FUND
AWARDS

The Vandal Scholarship Fund has various annual awards designed to serve as a mechanism for the recognition of the tireless work of alumni, volunteers, friends and coaches for their excellence and success in fund raising. Those awards include the Elsbeth Bush Distinguished Service Award, the Vandal Booster of the Year Award and the Coach of the Year Award.

There are two additional awards to be selected individually by the current President of the organization and the other by the Vandal athletic staff. Those awards are the President’s Special Service Award and the Vandal Spirit Award.

Review and recommendations will be made to the National Board who will vote on them at the summer board meeting. The awards will be made public in a variety of ways. In particular, the recipients name and photo will be in the home football game programs, their hometown newspaper will receive a press release from the media relations department noting their award and finally receiving the presentation of a plaque during halftime activities of the last home football game, which is also Vandal Booster Weekend.

Each award is described in the following pages of the booklet along with a nomination form. It is suggested that additional letters of recommendation, statistics or any other information that could help the National Board in its selection process accompany the nomination form. Again, all nominations except the President’s Special Service Award and the Vandal Spirit Award will come from the various Vandal Scholarship Fund chapters or personal nominations from current VSF members around the nation with the final selection coming from the National Board.
