### SUMMER AND FALL REGISTRATION NOW OPEN

Registration for Summer 2025 and Fall 2025 are now open for online and on-campus courses!

Students registering for courses during the Summer term will complete this [Paper Registration Form](#) as DualEnroll is not available for summer courses. Please spread the word to all interested students that summer Dual Credit registrations are not eligible for the discounted \$75 per credit rate; students will be charged the [current undergrad part-time per credit fee](#), though Advanced Opportunities funding can be applied toward summer tuition at the standard \$75 per credit rate.

Fall 2025 registration for online and on-campus courses is now open as well. Please work with students to get registration requests submitted and approved by counselors before leaving for summer break to help ensure their registration is processed before the **September 2** deadline and before sections fill up!

Questions? Contact Dual Credit Administrative Coordinator Katy Riebold at 208-885-4074 or [kriebold@uidaho.edu](mailto:kriebold@uidaho.edu).

## DUAL CREDIT INFORMATION SESSIONS

University of Idaho Dual Credit Student Success Specialist Crystal Cox hosted a series of Dual Credit Information Sessions this Spring Semester! Did you miss them? Well good news! Two sessions were recorded so you can still watch and learn valuable information about Dual Credit at U of I. [Click here for a link to Dropbox](#) to find the Info Session with Career Services and the Info Session with Academic Coaching.

Reach out to Crystal at [clcox@uidaho.edu](mailto:clcox@uidaho.edu) or 208-885-0982 with any questions.

### How to reset your U of I password

To reset your U of I account password to access MyUI, Canvas, or Vandal email, you must use the [Office of Information Technology \(OIT\) Support Portal](#). Passwords cannot be reset using the *Forgot Password* link on the sign in page.

If you have not set up a security profile for your account or do not know your username and existing password, you will need to contact OIT at 208-885-HELP (4357) or [support@uidaho.edu](mailto:support@uidaho.edu) for assistance.

## SAVE THE DATE FOR IATLC SPRING CONFERENCE IN 2026

The dates for the 2026 Idaho Association of Teachers of Language and Culture (IATLC) Spring Conference have been set! Please mark **April 17-18** on your calendar and plan to attend this great event held on the University of Idaho Moscow campus. All Idaho teachers are encouraged to attend this event, cohosted by the University of Idaho.

## ENCOURAGE STUDENTS TO PROVIDE COURSE FEEDBACK

University of Idaho students are given a chance to complete an end-of-course evaluation to share their thoughts about the courses they've participated in. For Dual Credit Spring Semester and yearlong courses, the evaluation window will be **May 13-31**. All students will receive a notification to their Vandal email with a link and instructions to complete the survey or they can access it directly [HERE](#) after **May 13**.

Teachers, if you have not already, you should be receiving an email notification giving you an opportunity to preview the survey and add any additional banked questions you feel may be helpful. You will have access to the feedback provided after the data has been processed after the conclusion of the semester, though respondents will be kept confidential.

Please encourage your students to take a few minutes to provide their feedback to help the U of I Dual Credit program continue to grow and improve!

# FACULTY SPOTLIGHT

## Michelle Carlson

North Idaho STEM Charter Academy  
Rathdrum, Idaho

**Dual Credit Courses:** BIOL 101, BIOL 115, ENVS 100, ENVS 101

**When I'm not teaching...** I'm playing with my three dogs, spinning fiber, and crocheting.

**Fun Fact:** Spent years as a wildlife rehabilitator and educator and has the scars to prove it! Her nose has been broken four times (three by bald eagles) and scars from wolves, bears, and owls. Used to wrestle alligators and catch rattlesnakes for money in HS and college!

*"The best part of my work is the moment when a student makes a connection to something in their daily life. It's that 'Ooooh' look that's so fascinating." - Michelle*
