LAST CHANCE TO COMPLETE THE SCHEDULING SURVEY

A big THANK YOU to those of you who have already completed the UI Dual Credit Fall 2024 Scheduling Survey If you have not had the chance to do so yet, please complete the survey including ALL COURSES and ALL TEACHERS for your Fall schedule! Any high schools, courses, and sections not listed will NOT be scheduled.

Watch for a confirmation after Wednesday, May 15 and be sure to reply with approval or updates before you leave for summer break to ensure that your schedule is correct and ready for fall registration.

Contact Dual Credit Administrative Coordinator Katy Riebold at (208) 885-4074 or kriebold@uidaho.edu with questions.

REGISTRATION NOW OPEN
Registration for Fall Semester 2024 on-campus and online courses only is now open! The registration deadline for fall on-campus and online courses is August 30.

Encourage students to plan accordingly and submit any registration requests before leaving for summer break to ensure all necessary steps are approved and completed prior to the deadline. If you need a DualEnroll account created for your role for monitoring and/or approving student requests, contact Katy Riebold at kriebold@uidaho.edu.

Registration for courses taking place on a high school campus will open August 1. [See the Scheduling Survey article above.] Please make sure to submit your course requests by May 15 and your subsequent confirmations before you leave for summer break to ensure courses are available for registration requests.

SUBMIT FINAL GRADES BY JUNE 11

Spring Semester and yearlong final grades are due by noon on Tuesday, June 11. The window to enter grades will be open to all faculty beginning Monday, May 20.

How to enter final grades:

- Log in to VandalWeb using NetID and password
- Click the "Faculty and Advisors" tab
- Select "Grades"
- Select "Faculty Midterm and Final Grade Entry" and either enter or upload grades (See Quick Instructional Guide or Detailed Instructional Guide for help.)
ENCOURAGE STUDENTS TO COMPLETE COURSE EVALUATIONS

Spring Semester and yearlong Course Evaluations will be open to students soon! Course Evaluations give students the opportunity to provide valuable end-of-course feedback to assist instructors in improving their teaching and to assist administrators in counseling instructors to provide the best possible learning experience for students.

Invitations to complete course surveys will be sent to students directly from the University of Idaho (rather than from the Dual Credit Office). Remind students to check their UI VandalMail accounts for submission deadlines and other important notices!

OUR STUDENTS and FACULTY MAKE OUR PROGRAM SHINE!

It goes without saying, but we're going to take this opportunity to say it... no, SHOUT IT from the top of Moscow Mountain that our Dual Credit students and faculty are the BEST! Every single one of our students is working hard to achieve their dreams before they have even finished their high school years. And our faculty are dedicated, passionate, and inspiring. Each month in the Dual Credit Faculty and Counselors Newsletter, we'll take a moment to celebrate a few of our people that make the University of Idaho Dual Credit Program so special. Go Vandals!
WE WANT TO FEATURE YOU!

If you are willing to be featured in an upcoming edition of the newsletter, please email a response to the following questions and a photo of yourself to Stacy Hudson at stacyh@uidaho.edu.

- What Dual Credit courses do you teach? For what high school (name and city)?
- How long have you been teaching Dual Credit courses for the University of Idaho?
- What is the best part of your work? What gets you up and motivated each day?
- Favorites... (What do you love best? It could be food, animals, places, music... anything!)
- “When I’m not teaching, I am....” (What is your favorite pastime?)
- What is something interesting about you that not a lot of people know?
- Anything else you would like to mention?
