530 S Asbury St. Ste 5, Moscow

The Office of Civil Rights & Investigations focuses on reviewing and conducting neutral and impartial investigations for concerns related to discrimination and harassment based on protected statuses, including sexual assault, stalking, and dating violence, as well as retaliation. We also serve to educate and advise students, staff and faculty on prevention and management of these issues through conversation or collaborative and engaging trainings, programs, and activities.

In an emergency, call 9-1-1.
