## Summary:

|                            |             |
|----------------------------|-------------|
| Total Revenue              | 149,000,600 |
| Total Expenditures         | 149,000,600 |
| <b>Surplus / (Deficit)</b> | \$ -        |

**Note:** The overall needed funding for increased utility costs is estimated at \$885,000. Of this, \$250,000 will be covered by anticipated utility rebates, \$11,700 will be covered by additional G.E. funding and the remaining \$623,300 will come out of a funding pool collected from University-wide Y accounts and interest earnings on Centrally managed accounts.
