

Professional Agreement Invoice and Progress Report

Idaho Transportation Department

ITD 0771 (Rev. 01-17) itd.idaho.gov

This page must be filled out monthly by the Consultant and forwarded to the Agreement Administrator with the monthly invoice. If necessary, attach additional sheets for continuation.

TD RP 261 TD - Augment Asphalt Mix 6/6/17	Key Number	Project Number		Project Name	Date							
Ned Parrish Consultant's Name Reportibility Period (From and To) Sh/1/17-5/3.11/17 Prompt Payment To Subconsultant(s) Verified Authorization Number Inv #5 Doscribe Work Accomplished During the Month (List Major Activities that were in progress during this period and add estimate the remaining time for each.) - The research team is currently working on identifying test sections for coring under Task 2. The team prepared a survey that was sent to the material engineers to select the test sections. Based on the inputs from the material engineers, the test sections will be identified for coring and evaluation. - The research team obtained loose asphalt mixtures from District 2 under Task 3 to be evaluated under Task 4. - The research team started in the laboratory experiments (Task 4) that include loose asphalt mixtures collected from the field, virgin asphalt binders and aggregates. Summarize Work Completed to Date (Milestones Completed and Dates) (List Major Activities that were completed, including completion dates.) The research team completed Task 1 (literature review), and they prepared a survey to identify test sections for coring under Task 2. The survey was sent to the material engineers by Mr. Chad Clawson. List Information Required from ITD to Avoid Delays The survey was sent to the material engineers by Mr. Chad Clawson. The research team needs inputs on survey from ITD engineers to move forward with other tasks. List Changes in Scope or Complexity that Requires a Supplemental Agreement or Time Adjustments N/A Printed Name Title Consultant's Signature		ITD RP 261		ITD - Augment Asphalt	6/6/17
