

Approving Cost Share Plan

Monitoring & Compliance

Notes:
 Common items offered as cost share (see below for more details or see [APM 45.08](#)):

- PI/Co-PI salaries & associated fringe for time worked on the project in excess of the time charged to the project.
- F&A/Indirect/Overhead on expenses incurred in support of the project.

1. if the CS exceeds the minimum required cost share, [ORED VP approval is required](#).
 2. If any corrective action involve initiating a labor redistribution, time extension, EPAF or termination please see those corresponding business processes.
